

Wills Special "Package" Offers

Standard Will	\$300.00 plus GST
Enduring Power of Attorney	\$200.00 plus GST
Advance Care Directive	\$300.00 plus GST
Package: Will, Enduring Power of Attorney & Advance Care Directive	\$700.00 plus GST

WHY YOU NEED A WILL:

In the absence of a will you will die "intestate". This means that your estate will be divided according to the provisions of the Administration and Probate Act and not how you may prefer. Also, there are likely to be additional costs to the beneficiaries of your estate if you do not have a valid up-to-date Will.

ENDURING POWER OF ATTORNEY (EPOA):

In the event you lose mental capacity (e.g. dementia, coma etc.) this enables you to appoint a trusted person to attend to all of your "financial affairs". For example, paying your accounts, operating your bank account, dealing with real estate, dealing with shares, attending to superannuation requirements etc.

ADVANCE CARE DIRECTIVE (ACD):

In the event you lose mental capacity (e.g. dementia, coma etc.) an ACD enables your Substitute Decision Maker (SDM) to deal with all "life issues". For example, authorising medical treatment, the switching "off" or keeping "on" life support systems, arranging nursing homes, food and dietary requirements, religious practises etc.

FIRST INTERVIEW FREE:

We offer a First Interview Free at no cost and no obligation (including SKYPE).

*The fees set out above are for "standard" Wills. Please note that there may be additional charges for variations to a standard Will. Make sure to discuss this with your solicitor.

TO MAKE AN APPOINTMENT:

Please contact our office to make your appointment or if you have any questions, feel free to telephone one of our friendly staff OR send us an email to legal@armourallen.com with your contact details.
